

WEST TENNESSEE SCHOOL FOR THE DEAF

MAP: MEASURES OF ACADEMIC PROGRESS (GRADES 3 – 6)

Measures of Academic Progress creates a personalized assessment experience by adapting to each student's learning level. MAP offers research-based assessment data and evidence-based professional development in order to help educators accelerate every child's academic growth and achievement. MAP contributes to broader conversations about how communities can support student-centric learning through our education policy and advocacy work. MAP helps create smarter, more responsive educational systems through our original research and our collaboration with universities, school districts, foundations, and think tanks.

- Continuous growth provides opportunity and challenge
- Collaborative efforts contribute to mutual strength and vitality
- Investment in local expertise and resources enhances students' growth
- Continuing relationships are vital to effectiveness
- Credibility is built through quality products and responsive service
- Thoughtful questioning and reflection are critical to creating the future
- Contributing to the discovery and dissemination of knowledge expands our capacity to improve education

MAP: MEASURES OF ACADEMIC PROGRESS (Grades 3 – 6)

Purpose & Use

MAP provides informed instruction using valid, reliable, and real-time data which helps to measure the growth of every student over time regardless of on, above, or below grade level performance. MAP helps to engage students and families in goal-setting and compare and predict student achievement and growth over time via exclusive normative and growth data.

Administration Window

Please go to the [Assessment Calendar](#) to view the testing dates.

Results to Parents & Students

MAP scores are given to students after each testing period. Students are actively involved with goal setting and personal achievement throughout the school year. Parents are given MAP score reports at IEP meetings and/or when requested.
